

# 103

Vibrant colours, simplicity in form, and comfort are all features which characterize the 103° Chair, our latest range of reception furniture. It is a unique and captivating design which encapsulates Thomas Montgomery's ethos to modern seating. The 103° Chair is a fresh and funky contemporary piece of furniture which provides all the comfort and style required for today's high demanding commercial interiors. Soft supple felt upholstery, in a range of bright expressive colours, and polished chrome fittings combine to illustrate our focus on quality design led furniture.
